Resolution
Reference.

The Commissioner submits the following proposals for strengthening the establishment of the Coimbatore Circle.

Until the separation, two Assistant Inspectors were attached to the Coimbatore Circle, one on the Nilgiris and the other on the plains to assist the Inspector. On the separation, the latter Assistant Inspector was abolished. The Circle now comprises the same area as before the separation. There are 11 ranges on the plains, 4 ranges on the Hills, a distillery, a warehouse and a brewery to be inspected and controlled. The Assistant Inspector on

on the Nilgiris is fully occupied in supervising the work of the Sub Inspectors on the Hills where the experiment of prohibition of sale of liquor to hill ~~kk~~ tribes is being tried and he is unable to render any assistance to the Inspector on the plains. The work in the Circle is very heavy. There are 116 arrack shops, 6 ganja shops, 5 opium shops and two beer taverns and F.L. shops of different kinds. There is illicit distillation crime in Avanashi, and -- Udamalpet taluks. The Circle is a difficult one to manage. The Commissioner considers that an additional Assistant Inspector is certainly necessary if the circle is to be maintained in an efficient condition. At the same time he does not propose to approach Government for sanctioning a new post of Assistant Inspector but has decided to transfer the Assistant Inspector at Kollegal with an orderly of 4 peons to the Coimbatore Circle where the services of the Assistant Inspector can be utilized to much greater advantage. The Commissioner proposes to try this arrangement tentatively for two years.

2. As regards the Kollegal taluk of the Bhavani Circle there were 4 preventive ranges in the taluk - Kollegal, Ajjipuram, Modahalli, and Talavadi ranges prior to 1914. Each range was under the control of one Sub Inspector and 4 peons. In April 1914 the Board submitted proposals to place the whole of the Kollegal taluk excluding the Talavadi range under an Assistant Inspector assisted by one petty officer and eight peons. The proposal was at first sanctioned temporarily in G O.No.1454-Revenue, dated 20-5-1914 and the tentative arrangement was made permanent in 1919. Vide G.O.No.1309-Revenue, dated 30-5-1919. The area comprised by the Talavadi range now forms part of the Gobichettipalayam taluk. Hence at present the whole of Kollegal taluk is under the charge of a single Assistant Inspector. The taluk covers an area of 1105 square miles only and has 89 villages. There are only 17 arrack , 25 toddy, 2 ganja and 3 opium shops in the taluk. About 6500 trees are marked. The crime in

in the taluk during the last four years is shown below:-

	Illicit distillation & possession.	Illicit tapping.	Other offences	Total.
1921-22		7	11	18
1922-23		1	15	16
1923-24	17	...	11	28
1924-25		1	8	9

The work appears light and ought to be managed by two Sub Inspectors. The Commissioner therefore proposes to divide Kollegal taluk into two ranges - Kollegal and Hanur Each range will be placed in charge of a Sub Inspector with an orderly of 4 peons. The extra establishment of 2 Sub-Inspectors will be drafted tentatively from other Circles where their services can be spared. As regards the inferior establishment, besides the orderly of 4 peons required for the Assistant Inspector, Coimbatore Circle, there are 5 peons (1 on Rs.20-½-25 and 4 on Rs.12-18). Of these the 4 peons on Rs.12-18 will be attached to one of the two Sub Inspectors. The remaining peon on Rs.20-½-25 and 3 men drafted from other Circles will be attached to the other Sub Inspector.

3. The head quarters of the two Sub Inspectors will be located at Kollegal and Hanur These two places are not included in the list of unhealthy localities rererred to in G.O.No.778 Fin. dated 31-8-1923. But the two Sub Inspectors have to tour in the unhealthy tracts of the Kollegal taluk. With reference to para 3 of the above G.O. the Commissioner recommends that the Sub Inspectors and peons may be given allowances of Rs.25/- and Rs.2/- each respectively and requests that Government will be pleased to sanction the proposal.

The above proposals do not involve any additional expense to the State but there is a saving of Rs.6-8-0 per mensem as shown below:

Present Cost	Rs
Pay of one Assistant Inspector	175
Fixed T.A.	75
Pay of one petty officer	22-8-
" 8 peons	120
Total	392-8-0 per mensem.

Cost of the above proposals	Rs.
Pay of 2 Sub Inspectors	150
Fixed Travelling allowance	50
Local allowance	50
Pay of 8 peons	120
Local allowance	16
Total	386 per mensem.

4. The Commissioner requests that Government will be pleased to issue early orders as an Assistant Inspector is urgently required for the Coimbatore Circle.

Resolution Reference.

The proposals of the Commissioner to divide the Kollegal taluk into two Sub-Inspectors' ranges and to transfer the Assistant Inspector at Kollegal to the Coimbatore Circle do not involve any increase or reduction in the -- sanctioned strength of establishment in the Excise department. The only change that is proposed is the grant of local allowance of Rs.25/ per mensem to each of the Sub-Inspectors and of Rs.2/ ~~to~~ to each of the Peons. With reference to para (1) of article 61A and clause (a) (i) of para 68 of the Madras Treasury Manual Volume I, no proposition statement appears necessary. However statement has been submitted as called for

for in Government Memo.

2. If the proposal is made to take effect from ~~the~~ 15-6-25, the extra expenditure for the current year will come to Rs.561/ and this can be met from the existing budget provision under 6.bExcise - District Executive establishment - pay of establishments voted.
